PROFESSIONAL PROFILE

Supply Chain Commercial Analyst with experience across telecommunications, logistics, supply chain and operational performance. Combines data analysis with hands-on automation and business intelligence development using Python, SQL, Power BI, Excel and the Power Platform. Experienced in improving processes, reconciling complex data and producing useful reporting for operational and commercial stakeholders.

TECHNICAL SKILLS

Analytics and BI: Power BI, DAX, Power Query, advanced Excel, KPI development, reporting

Programming and data: Python, Pandas, SQL, data transformation, reconciliation and validation

Applications and automation: Power Apps, Power Automate, SharePoint, workflow design

Delivery and operations: Requirements gathering, stakeholder communication, process improvement

EMPLOYMENT HISTORY

Supply Chain Commercial Analyst | Frontline Group | May 2026 to present

- Develop Python and Excel workflows to consolidate, validate and reconcile large operational and commercial datasets.
- Build repeatable reports, exception checks and automation to improve consistency and reduce manual processing.
- Investigate cost and operational performance, communicating analytical outputs to business stakeholders.

Field Data Analyst | CityFibre | Mar 2025 to May 2026

- Analysed field operations data and delivered KPI reporting to support performance visibility and data quality.
- Identified trends and operational issues to inform practical improvements.

Service Operations Manager (Data & Performance) | Gigaclear | Jul 2023 to Feb 2025

- Worked across service performance, reporting and operational process improvement.
- Used management information and stakeholder collaboration to help improve service delivery.

Supply Chain Executive | Thameen London | Apr 2022 to Jul 2023

- Supported supply chain coordination and performance monitoring.

Transport Controller | ASCO Group | Apr 2020 to Mar 2022

- Coordinated transport activity and monitored operational service performance.

Delivery Performance Coordinator | Gousto | Aug 2018 to Apr 2020

- Supported delivery performance monitoring and logistics service improvement.

EDUCATION & PROFESSIONAL DEVELOPMENT

BA (Hons), Performing Arts | Canterbury Christ Church University

Training and certificates: Excel for Data Analysis and Analyse Data with SQL (Codecademy); Python for Data Analysis, Power BI, Tableau and Statistics (ITonlinelearning).
